

Report on webinar “Protection of Environment and Judicious Use of Renewable and Non-Renewable Resources” in celebration of Azadi ka Amrit Mahotsav, under the Theme “Sustainability/Lifestyle for Environment” on 27th July, 2023 through Google Meet Platform.

The programme was chaired and moderated by **Ms. Dziesetuonuo Mepfhuo**, Assistant Professor, SCTE-K.

The welcome speech was address by **Dr. Runi Nakro**, Vice Principal, SCTE-K. She formally welcomed all the participants, colleagues and the Resource Person.

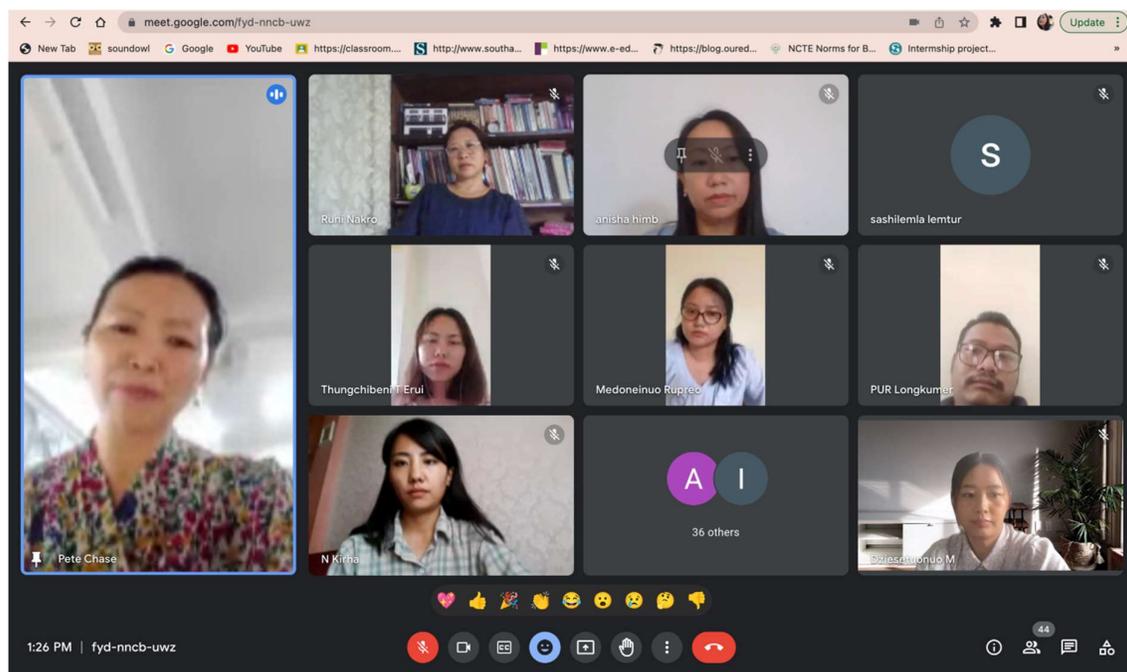

The Resource Person **Dr. Petevino Chase**, Assistant Professor, Kohima College, Kohima. She spoke on the meaning and protection of environment, the importance of the protection of the environment. She elaborated on the different Approaches to Environmental Protection like Ecosystems approach, International Environmental Agreements, Voluntary Environmental Agreements and highlighted on the Environmental Protection Laws in India as stated in Article 48-A, Article 51-A(g). The speaker also deliberated on the renewable and non-renewable resources of the environment and stressed on responsible consumption of resources which include the practice of 3,4 or 5R’s to protect the environment.

Vote of thanks was delivered by **Ms. Anisha Himb**, Assistant Professor SCTE-K. She extended sincere gratitude and thanks to the Resource Person for sharing her insights and enlightening everyone. She also formally thanked the Moderator, the Vice Principal, the Organizers and Participants for making the programme a grand success.
