Agenda:

To review the written complaint submitted on 5th June 2025 by [redacted] m S and [redacted] bon [redacted] nio, students of B.Ed 2nd Semester, regarding internal marks allotment in **Micro-Teaching** and the criteria followed in the evaluation.

Discussion Summary:

The committee discussed the concerns raised by the students, who expressed confusion and disappointment over the internal marks awarded in Micro-Teaching. They requested clarification on the criteria used for assessment and the opportunity to understand any shortcomings in their performance.

The following key points were considered:

- Whether the criteria for scoring were clearly communicated to all students.
- Whether students received timely feedback after their micro-teaching sessions.
- Whether the scoring was consistent and aligned with pre-established rubrics.
